REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: it is deemed novel and unobvious over the prior art of record to perform a method of manufacturing a multilayered molded synthetic part comprising an elastomeric thermosetting skin and a thermoplastic carrier wherein the skin is first molded, and the carrier is molded to the back of the skin wherein the mold is only partially closed before the thermoplastic is injected and is further closed during and/or after injection of the thermoplastic so that a pressure is exerted by the mold on the thermoplastic material as set forth in claim 4, renumbered as claim 1, further including using a low pressure molding process for molding the carrier as set forth in claim 5, renumbered as claim 2.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
